2022 - y. “ 9 ” November

№ 01/01-19-09/4-106

Dear Roli Asthana

**United Nations Resident Coordinator
in Uzbekistan**

Dear Ms Roli Asthana

The State Committee of the Republic of Uzbekistan on Statistics expresses its gratitude to the Permanent Mission of the United Nations in Uzbekistan for the support and assistance provided within the framework of the implementation of the UN Framework Program of Cooperation for Sustainable Development for the period 2021-2025.

According to the Decree of the President of the Republic of Uzbekistan PD -4273 dated April 9, 2019, the State Committee of the Republic of Uzbekistan on Statistics is the coordinator of the activities of state bodies and organizations in terms of work on the formation, maintenance and updating of the list of open data sets and timely reflection of relevant information on the Open Data Portal of the Republic of Uzbekistan.

In order to facilitate the work of users with data, a new version of the Open Data Portal of the Republic of Uzbekistan was launched in August 2021 (<https://data.egov.uz/>), which has the ability to integrate departmental information resources of ministries and departments and download all datasets in many type of formats, etc.

During 2019-2022, the State Committee on Statistics worked with several international organizations’ databases to form missing datasets in their databases. We would like to inform that many missing data sets in UN database (<https://data.un.org/>) have been formed and some of them will be formed after census or MICS survey. We kindly ask to use Open data portal of Uzbekistan for

filling missing indicators in UN database due to there are 166 state bodies
publish datasets in different spheres.

The State Committee on Statistics seizes the opportunity to renew
confidence in high respect

Sincerely,

Bakhodir Begalov

Chairman

of the State Committee of the Republic of Uzbekistan on Statistics
